

TUITION AND FEES

Through the awesome teaching of the Word of God, one class session at RHEMA Bible Training Center Zambia could change your life! How much is that worth to you?

Although the life-changing experience at RHEMA is priceless, we keep tuition as low as possible to help our students achieve what matters most – the experience and growth needed to fulfil their God-given purpose in life.

Your tuition covers only about one-third of what it actually costs to train you. Because we care so much about your training, about two-thirds of the cost of your education at RHEMA is underwritten by the faithful support of financial partners both local and abroad, donors who believe deeply in the mission of this school.
